

Nursing Simulations For Windows 2000

Name	Publisher
AcidBase Balance	Golden West College
Chart Smart II: Mastering Patient Documentation	DuPage College
Clinical Skills: Chest Tubes	Lippencott
Communication Skills: Building Rapport and Trust	Williams and Wilkins
Communication Skills: Identifying Underlying Anxiety	Williams and Wilkins
Diet Analysis Plus 5.0	West Wadsworth
Fluids and Electrolytes	Mosby
Foundations of Electronic Fetal Monitoring	MediSim
Home Health: Community Nurses-Work Mgmt. Skills	Computerized Educational Sys.
IM Meds	Indiana University
Intrapartum Emergencies	Lippencott
Med Surg 2	Williams and Wilkins
Medication Maestro: can't print, freezes pc	C & D Computer Enterprises
Mental Health Nursing	MediSim
NLN Nursing Challenge Game	
PDS Clinical Ed. Maternity Nursing	
Normal Pregnancy	Professional Dev. Software
Problems of Pregnancy	Professional Dev. Software
PDS Clinical Education Software Adult Health Nursing Cardiovascular Health Problems Gastrointestinal Health Problems Endocrine Health Problems Musculoskeletal Health Problems Respiratory Health Problems	Professional Dev. Software
Pediatric Nursing 1	Williams and Wilkins
TLC Medical Center	DuPage College

Contents of Nursing Sims with multiple situations (included in list above, not additional software)

Med Surg2	Patient with Lung Cancer Patient with Chronic Renal Failure Adult Insulin Dependent Diabetic Elderly patient with Osteoporosis Hip Fracture	
Peds 1	Pre-schooler with Meningitis School age child with head injury Toddler Hospitalized following a seizure Infant with Vomiting	
TLC	1. Congestive Heart Failure 2. Obstructive Lung Disease 3. Cholelithiasis 4. Nephrolithiasis 5. Postmenopausal Bleeding 6. Diabetes Mellitus	7. Recurrent Acute Otitis Media 8. Right Femur 9. Term Pregnancy 10. Cesarean Section 11. Depression 12. Schizophrenia

Adult Health Nursing	Cardiovascular	Chest pain Cardiac catheterization Myocardial infarction Coronary after bypass graft surgery
	Endocrine	Diabetic ketoacidosis Hyperthyroidism SIADH and small cell carcinoma
	Gastrointestinal	Peptic Ulcer with subtotal gastrectomy Intestinal obstruction and colon cancer Acute pancreatitis
	Musculoskeletal	Rheumatoid arthritis Fractured femur in skeletal traction Total hip Arthroplasty
	Respiratory	Lung Cancer Pneumococcal pneumonia Emphysema
Maternity	Normal Pregnancy	Primigravida receiving prenatal care Primigravida during labor and delivery
	Problem Pregnancy	Multigravida-cocaine use Primigravida with gestational diabetes Multigravida heroin addiction Primigravida pregnancy-induced hypertension
Mental Health Nursing	A Patient with Anxiety Disorder Family Violence A Patient with Obsessive-Compulsive Disorder A Suicidal Adolescent	

DPT: Minitab 14

OTA: Accessible Environments

Radiography

RT

Contrast	ARDS
Density	Basic Arrhythmia Recognition
Image Production Challenge	Blood Gas Sampling and Interpretation
Patient Care (Doesn't work)	BS Identifier CBI
Physics Challenge	C & S Solutions (33 simulations)
Radiation Protection	CRT Study Guide
Radiographic Procedures Challenge	Neonatal
Registry Practice Examination 'A'	Pneumonia
Quality s	Pulmonary Edema
Quality v	
Sim Xray	
Skull Anatomy	

HIM

3M Coding and Reimbursement	Home Plan Pro	TLC Medical Ctr
Language of Medicine	MediSoft SSI
