>>Textbooks for WEC students will be available for sale beginning March 24th.

>> Did you know you can order textbooks online? Having a hard time locating the bookstore website? Follow this path: KateWay—> CSC Information tab—> click on Bookstore

Get To Know Christina Kawlewski

By Lynn Wolander, WEC Board

Our Katie of the Month for March is Christina Kawlewski. For those students who identify as sophomores, juniors or seniors, you have probably met her in one of your classes. Christina started at St. Kate's in the spring of '06. In fact she and I started our accounting journey here at the same time. She was the only person I knew who actually passed her math assessment on the first try!

Christina has attended other colleges in her quest for a degree, but St. Kate's "by far ...is the best, not necessarily the easiest, experience." What brought her to our community was the weekend format which allowed her to have a life outside of school. "At the other schools that I have gone to, I have usually been the oldest one there. At

St. Kate's I fit in so much better." The WEC format made it possible for Christina to keep her full-time day job. "I can also enjoy my horse and dogs since I do not have my own two-legged children. I spend time with my four-legged ones."

When asked if St. Kate's has helped her become a more effective leader or more influential, Christina says that she has "learned to speak up more for myself and am more confident in what I do at work and in my life in general."

Her advice to the new non-traditional student? "Try to find and set aside time for yourself doing things that you enjoy...it is absolutely necessary". For those of you who are wondering what kind of tree Christina would be if she were to be one, she said she would be a pine or an oak. I think either is majestic enough for Christina.

Ask Career Development

By Erin Koolen, Career Counselor

Hello WEC students! I did not receive any career questions from anyone, so I thought I would provide you with a few career development tips to help you with your resume.

Seven Important Resume Tips:

1. Do not put your resume on a template.
2. Make your resume very organized and easy to read.
3. Use past tense action verbs when describing what you did in your previous positions and experiences.
4. Place related experience towards the top of your resume.
5. Always check for consistency, correct grammar, and proper spelling.

6. Have someone in the Career Development Office critique your resume.

7. Check out our website for our resume guide and sample resumes. www.stkate.edu/career

If you start your resume with these tips in mind, you will be on your way to developing an exceptional resume. Well, that is all for now. In the meantime, remember to email Erin Koolen at emkoolen@stkate.edu with any career-related questions that you would like addressed in the next WEConnect.

Honors & Awards

The Annual Honors and Awards Ceremony will be held Tuesday, April 29th, 4:30pm in Rauenhorst Hall, CdC. At the ceremony many students will be recognized for their academic and co-curricular achievements. A special part of the ceremony is the announcement of the recipients of the All-College Student Leadership Awards. Each one of you knows at least one or more students that deserve to be nominated for one of these awards. This is particularly true of the Mary Alice Muellerleile (WEC) Student Leadership Award.

Here is your chance to nominate a student (s), and recognize her for the work done on behalf of students and the college. Just go to The Daily Update and the info is available under the article entitled "2008 All-College Student Leadership Award Nominations (March 26)". Please note that the deadline for nominations is Wednesday, March 26 .

If you are interested in becoming a member of the WEC Board, or if you have ideas, concerns or articles you would like to contribute to the WEConnect, please send an email to wecboard@stkate.edu or call us at 651-690-6213.
